Presents

Student of the Year -2025 Hunt of Talent

Introduction

- **Prestigious and Innovative Platform:** A unique educational event inspired by top company recruitment processes, fostering personal and professional growth.
- **Career-Focused Event Rounds:** Industry-aligned rounds teach participants the exact recruitment requirements of leading MNCs and government organizations.
- **Skill Development and Career Exploration:** Students enhance essential life skills and explore diverse career paths through real-world industry exposure and expert-led workshops.
- **Mentorship and Guidance:** Participants receive personalized mentorship, helping them identify talents, understand career requirements, and prepare for entrance exams.
- **Recognition and Networking Opportunities:** Assured prizes, professional stage exposure, and networking with industry experts enhance participants' career prospects.

Registration

- Every individual must register for the event through the official online registration portal.
- All participants are required to complete the online registration form with accurate and complete information.
- Upon successful verification of your details, you will receive a Registration Confirmation Email along with a unique Participant ID.
- Participants must provide a valid email address and contact number for communication purposes.

Groups

- Group A - Class 6th to 8th
- Group B - Class 9th to 10th
- Group C - Class 11th to 12th

Rounds Details

- Brain Intelligence Round
- Area of Interest Round
- Interaction Round
- Know Yourself Round
- Speak-up in Public Round

Selections of Campus Ambassador

- Campus ambassadors will be selected from an individual school.
- The students who are interested to become Campus Ambassador need to fill the Registration Form.
- Academic Excellence including merit in different curriculum activities will get preference.
- School Higher Authorities' suggestion will be considered for the final selection of Campus Ambassador.

Benefits for the participants

- **Assured Prizes and Certificates:** All winners will receive assured prizes and Excellence Certificates.
- **Participation Certificates:** Every student will receive a Participation Certificate, recognizing their achievement as per the rounds they qualify.
- **Exclusive Virtual Tutorials:** Selected students will have access to virtual tutorial videos for the Interaction Round, Know Yourself Round, and Speak-up in Public Round. These tutorials are designed to help students learn new skills and receive individual-level feedback to develop unlearned skills.
- **Public Speaking Platform:** In the final round, participants will have the opportunity to showcase their public speaking abilities on a professional platform.
- **Industry Exposure:** Participants will get a unique chance to meet industry professionals and learn how to achieve their career dreams.
- **Career Exploration:** All students will have the opportunity to explore various career options through the different rounds of the competition.
- **Networking Opportunities:** Participants will have the chance to network with peers, mentors, and industry experts, building valuable connections for their future careers.
- **Skill Development Opportunity:** Throughout the competition, students will have access to events focused on developing essential skills such as leadership, teamwork, and critical thinking.
- **Self-Discovery and Mentorship:** The competition encourages self-awareness and personal growth through meaningful interactions with mentors, helping participants better understand their strengths and areas for improvement.
